

Weekly Safety Meeting

Safety by Design hopes you and your team benefit from this Tool Box Talk. Please note that this Tool Box Talk is intended as an overview of key points regarding this subject and is not intended to be complete training in accordance with any regulatory standards. If you have any questions or would like to obtain the appropriate training, please call Safety by Design at (832) 425-0556, or email us at info@safetybydesigninc.com. Thank you, and remember to always stay safe.

<i>Company Name</i>	<i>Project Name</i>	<i>Supervisor</i>	<i>Date</i>

Who Am I...???

I am more powerful than the combined armies of the world.

I have destroyed more than all the wars of the nations.

I am more deadly than the bullets or missiles, and I have wrecked more homes and jobs than the mightiest siege of guns.

I steal billions every year.

I spare no one. I find my victims among the rich and poor alike, among the young and old, the strong and weak, the high level and low level workers. Widows and orphans know me well.

I rise to such proportions that I cast my shadows over every field of professional as well as non-professional, from the humblest laborer to the nuclear scientist.

I kill thousands of employees each year.

I lurk unseen and do my best work silently.

I'm relentless.

I am everywhere. On land, sea air, in the home, on the streets and highways.

I breed sickness, degradation and death.

Yet few people make a real effort to avoid me or even take me seriously.

I destroy, crush, maim. I give nothing. I take all. I am your worst enemy.

I AM CARELESSNESS.
